

## Gwydir Resource Assessment November 2014

Contact Neeraj Maini Phone 02 8838 7824 Email neeraj.maini@dpi.nsw.gov.au

8 December 2014

The Gwydir Resource Assessment, for the period from 1 November 2014 to 30 November 2014, has been undertaken in accordance with the *Water Sharing Plan for the Gwydir Regulated River Water Source*. There has been no improvement in water availability.

- No Available Water Determination (AWD) will be made as a result of this assessment.
- A copy of the resource assessment is attached for your records.

Recent rainfall, plus more forecast this week, has provided some relieve but is insufficient to improve allocations at this time. The outlook remains for a hot, dry summer and consultations will continue with users to establish how best to meet water needs with diminishing supplies.

Any resource improvement will first be used to assist depleted loss accounts and thereby improve deliverability of essential supplies, before further allocations can be made.

The NSW Office of Water is monitoring rainfall and streamflows closely and will provide an update on water availability on 6 January 2015, or earlier if allocations can be made.

Enquiries about this matter can be direct to Mr Neeraj Maini at the NSW Office of Water's Parramatta Office direct on telephone number (02) 8838 7824.

Yours sincerely

**Brian Graham** 

**Acting Director Surface Water Management**
